darkshade's brithday

Darkshade's birthday

_I'm fifteen today, eight years of being on my own from the time Katana clan attacked us and took my family. I miss them so much. I hissed and pushed away my sadness, today is my birthday, butâ€¦.I have to deal with being pretty lonely. At least I have my boyfriend Kyle and my jungle fury Darkshadow to celebrate with me. I walked down the stairs from my room. Darkice glared at me harshly. _

"What are you looking at Darkice? I'm Not in the mood of what you want me to do?" I snapped harshly to my adoptive father.

"You should be thankful that you're chores are lighter than normal." He hissed.

_Of course my adoptive mother Iceflame wouldn't get involved. Why couldn't she see how much he hurts me? Why did Katana clan have to take my family I surtanly hated this one. I had been training with Darkshadow for eight years and soon we'll be leaving this place behind. _

"Actually Darkice, I have other planes today, much bigger then my chores." I said leaving before he could scolded me.

_I sighed as I walked towrods Kyle's house. I knocked on his door. I frowned when he didn't answer the door. _

"Darkshade?" Kyle asked as he came around from behind the house.

I blinked as he approached. "Playing with your sword again are

we?"

He chuckled lightly. "Of course I was, I wouldn't be doing much else."

_I nodded, he did love to practice a lot. _"Let's head to the crystal lake to meet up with Darkshadow."

_He nodded and followed me to the lake. _

"Hey there Darkshadow how's my handsome jungle fury?" I asked giving the dragon a scratch.

"You do remember he can't speck Norse right?" Kyle said.

"To you maybe but remember my necklace. It's able to understand dragon tongue remember." I said turning to face him.

"Ohâ€¦umâ€¦right forgot that your cursed magic is dragon warrior magic right? You fully unlocked that today didn't you?" He asked.

I nodded. When a resident of Darkstrike island is born there cursed with a power that is a part of them. Their power matures as they grow up mine is finally unlocked complete, know I am ready to such for my sister, all I can do is hope that she's still alive.

_I stroked Darkshadow's scales. _

"You're thinking about leaving, aren't you?" Kyle asked as he hugged me.

"Well can you really blame me Kyle? I mean this life, it's not worth suffering, I need closer, to know is my sister's alive after eight years." I said as I pushed closer to him .

Its September and the leaves are changing color and slowly painting the world as we stand in the clearing. I feel the warmth of his embrace as he holds me, shielding me form the cold winds. I will miss him the most when I leave.
